

BUILDING TEAMWORK

Training Overview:

Could your organization benefit by having better teamwork? Are you looking for ways to create a more positive and engaging culture? Do you want to strengthen workplace relationships, improve communication, and foster creativity?

Building Teamwork...

- Improves communication and productivity.
- Reduces tension, stress, and conflict.
- Promotes unity and a common purpose.
- Increases engagement, morale, and retention.

This insightful training will help you identify key factors that undermine healthy organizations and common obstacles to building healthy teams.

Learn How To...

- Identify what causes a lack of teamwork..
- Recognize traits of positive and resilient organizations.
- Evaluate the level of teamwork in your organization.
- Reinforce positive values that promote unity and cooperation.
- Develop a trusting team with clear goals, guidelines, expectations, and encouragement.

Teams that cooperate and function well together help build the organizational cohesiveness, resilience, and community spirit needed for individuals and organizations to thrive.

Training includes follow-up by a Strata Account Executive who can provide additional support and information. Other training topics that complement this course include: "Problem-Solving Skills," "Building Trust," and "Managing Workplace Stress."
